

Our mission is to promote strong Catholic identity and, through quality Catholic education, prepare each student to assume their leadership roles as Christian stewards.

Dear Parents,

Congrats to our junior high quiz bowl for winning their first meet this week!

Help is needed tomorrow and every Saturday morning in February for the concession stand during Little Panther games in our gym. We need parent help along with students who need service hours. The link is listed below. Thank you in advance for your help!

As we seek to engage all our school families in active stewardship, TO BE AN "ACTIVE PARISHIONER" MEANS:

- *To Pray: that is, attend Mass faithfully in the parish on weekends and Holy Days.*
- *To Participate: that is, to use one's time and talents to strengthen the parish community and advance the Gospel.*
- *To Sacrificially Give: that is, pledge and remain current on a tithe of financial first fruits to support the life and ministries of the parish. The goal is 8% to the parish and 2% to other worthy charities.*

Thank you, Fr. Secrist

Digital Drip #22: [More than 1/4 of the Internet is Explicit.](#)

Script from the audio segment above: *I'm Chris McKenna, founder of Protect Young Eyes and we help families like yours create safer digital spaces. There was a study that determined approximately 27% of online video content was explicit. Now, in most areas of life, 27% isn't great. Especially if you're talking about a GPA or maybe your free throw percentage. But 27% of most digital things is massive. Especially when you're referring to billions of videos. Think of it this way - Imagine growing up and there was a coffee table with 4 magazines on it every morning, one of them explicit, and your parents just hoped that you didn't look at the wrong one. That's the unfiltered internet today. This means, that whether you're 4, 14, or 40, the unfiltered internet is full of temptation. 2 Timothy 2:22 tells us to "Run away from temptations that capture young people." Have you taken aggressive steps to block the bad stuff on all digital devices, including your own? Now is the time.
